PERSONAL SUMMARY- Qualified Teacher Status (1990) Primary Education

My experience includes over 20 years of working as an inspirational and innovative primary school teacher and Assistant Head teacher in diverse academic settings in England's primary school sector. I am a qualified, well organised, effective classroom practitioner with excellent behavioural management skills and have the personal commitment needed to ensure that all students succeed and fulfil their academic potential.

I have a proven track record of successfully planning, teaching, assessing and managing resources to improve learning outcomes where every pupil is well placed to achieve his or her full potential and surpass expectations. I am approachable, and able to make everyone feel valued. I have the ability to work individually as well as part of a team to achieve consistency in teaching and learning. I have excellent verbal and writing communication skills. I am very passionate about making a real difference to young people's lives through teaching and have the ability to inspire and motivate pupils to have high expectations of their own abilities.

PROFESSIONAL SKILLS

- Planning and Assessment: I have thorough understanding of the planning and assessment procedures which promote good practice. I possess vast experience of working and of developing lessons for a wide range of students.
- Careful lesson planner with the ability to scaffold and differentiate work to suit and satisfy each and every pupil's unique learning requirements (a skill that I developed as a Special Educational teacher and coordinator).
- Analysing and Using data effectively which informs on effective planning and differentiation ensuring that children improve and develop as good learners.
- Effective and informative marking which ensures that children know what they are doing well and their next step of learning
- Excellent classroom manager with the ability to focus children's minds on the task at hand.
- Ability to mentor newly qualified teachers and to assist them with classroom duties
- Communicating clearly, effectively and professionally in a manner that every student fully understands.
